Requirements Related to Commodity Crops

Corn or Soybeans must be part of the crop rotation for both TIP and SIP.

Other approved commodity crops include:

- Barley
- Camelina
- Canola
- Cotton
- Dry Beans
- Durum
- Flax
- Grain Sorghum/Milo
- Lentils
- Millet
- Oats
- Peanuts
- Peas
- Rye
- Sugar Beets
- Sunflowers
- Wheat

If enrolling for Transition Incentive Payments (TIP) must have three consecutive years of covers and approved commodity crops.

Neither TIP or SIP acres may overlap any federally funded programs (EQIP, CSP, RCPP)
